Home Page

Landing page introducing the Thapar community marketplace and its core actions.

Login / Register

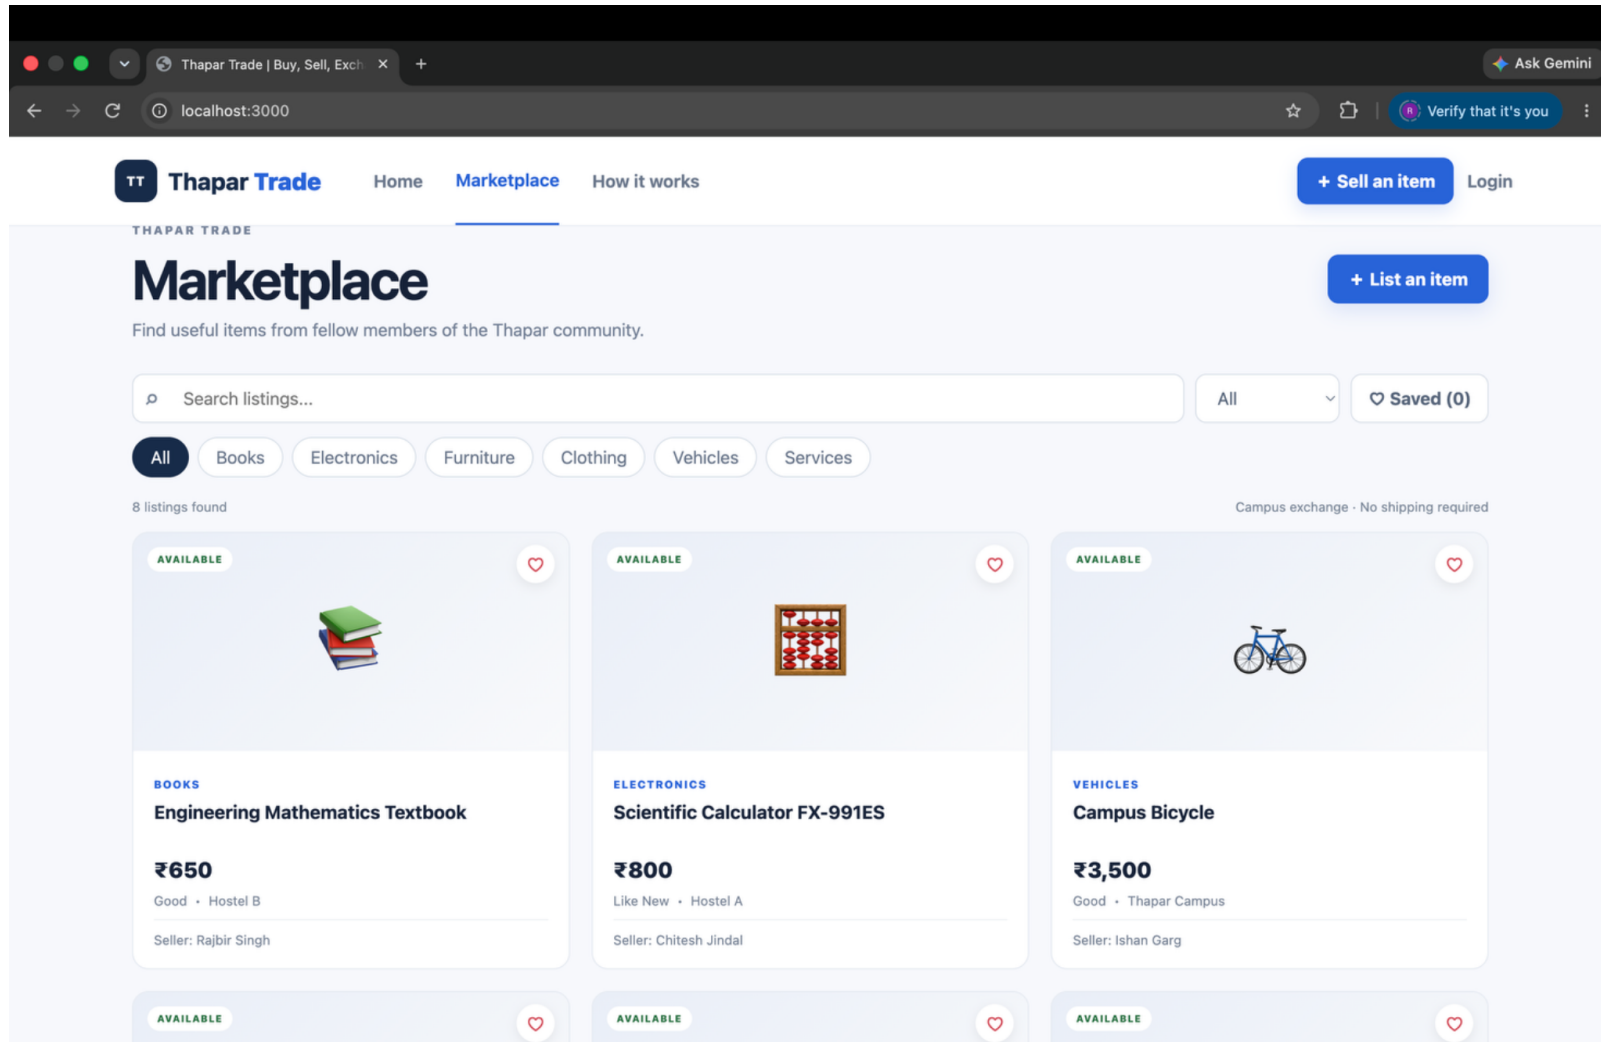

Authentication interface for secure Thapar community access.

The screenshot shows a web browser window with the address bar displaying 'localhost:3000'. The page features a navigation bar with the 'Thapar Trade' logo, links for 'Home', 'Marketplace', and 'How it works', and buttons for '+ Sell an item' and 'Login'. The main content area contains a login/register form with the following elements:

- Thapar Trade** logo and title.
- Login** and **Register** buttons.
- CAMPUS MARKETPLACE** header.
- Welcome back.** greeting.
- Text: 'Sign in with your Thapar account to continue.'
- Thapar email** label and input field containing 'yourname@thapar.edu'.
- Password** label and input field with masked characters '*****'.
- Sign in →** button.
- Footer text: 'Thapar-only access - Your campus identity stays within the community.'

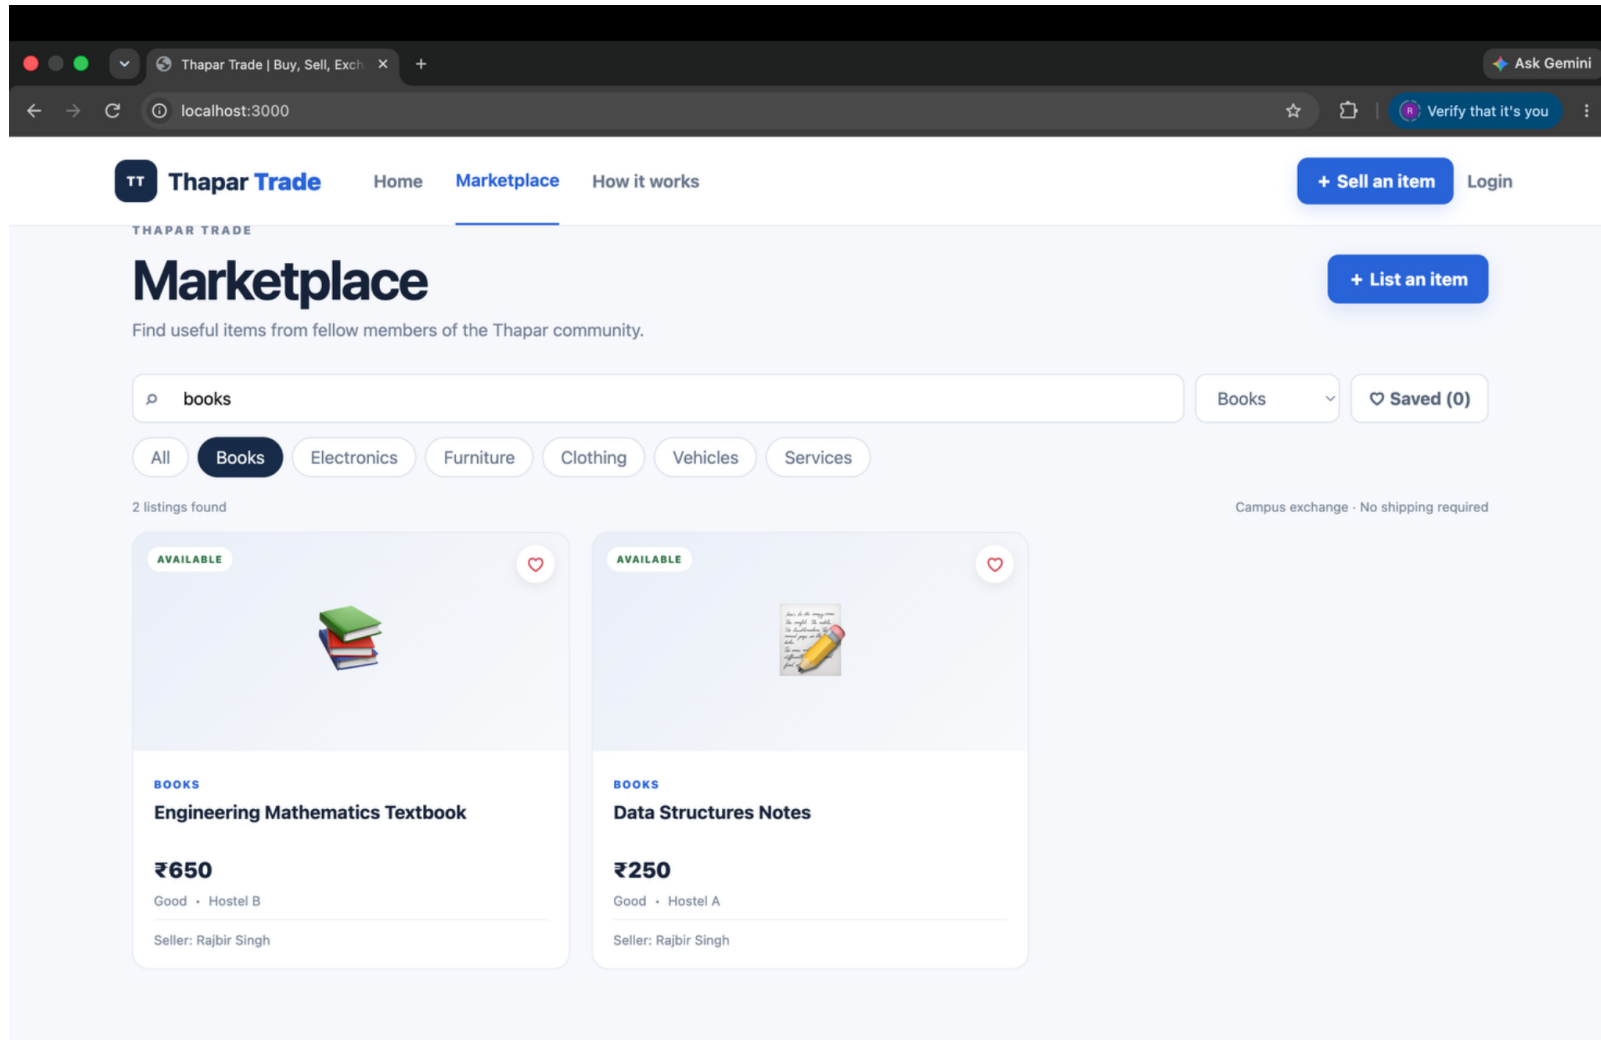

Marketplace

Marketplace view for browsing available items by category.

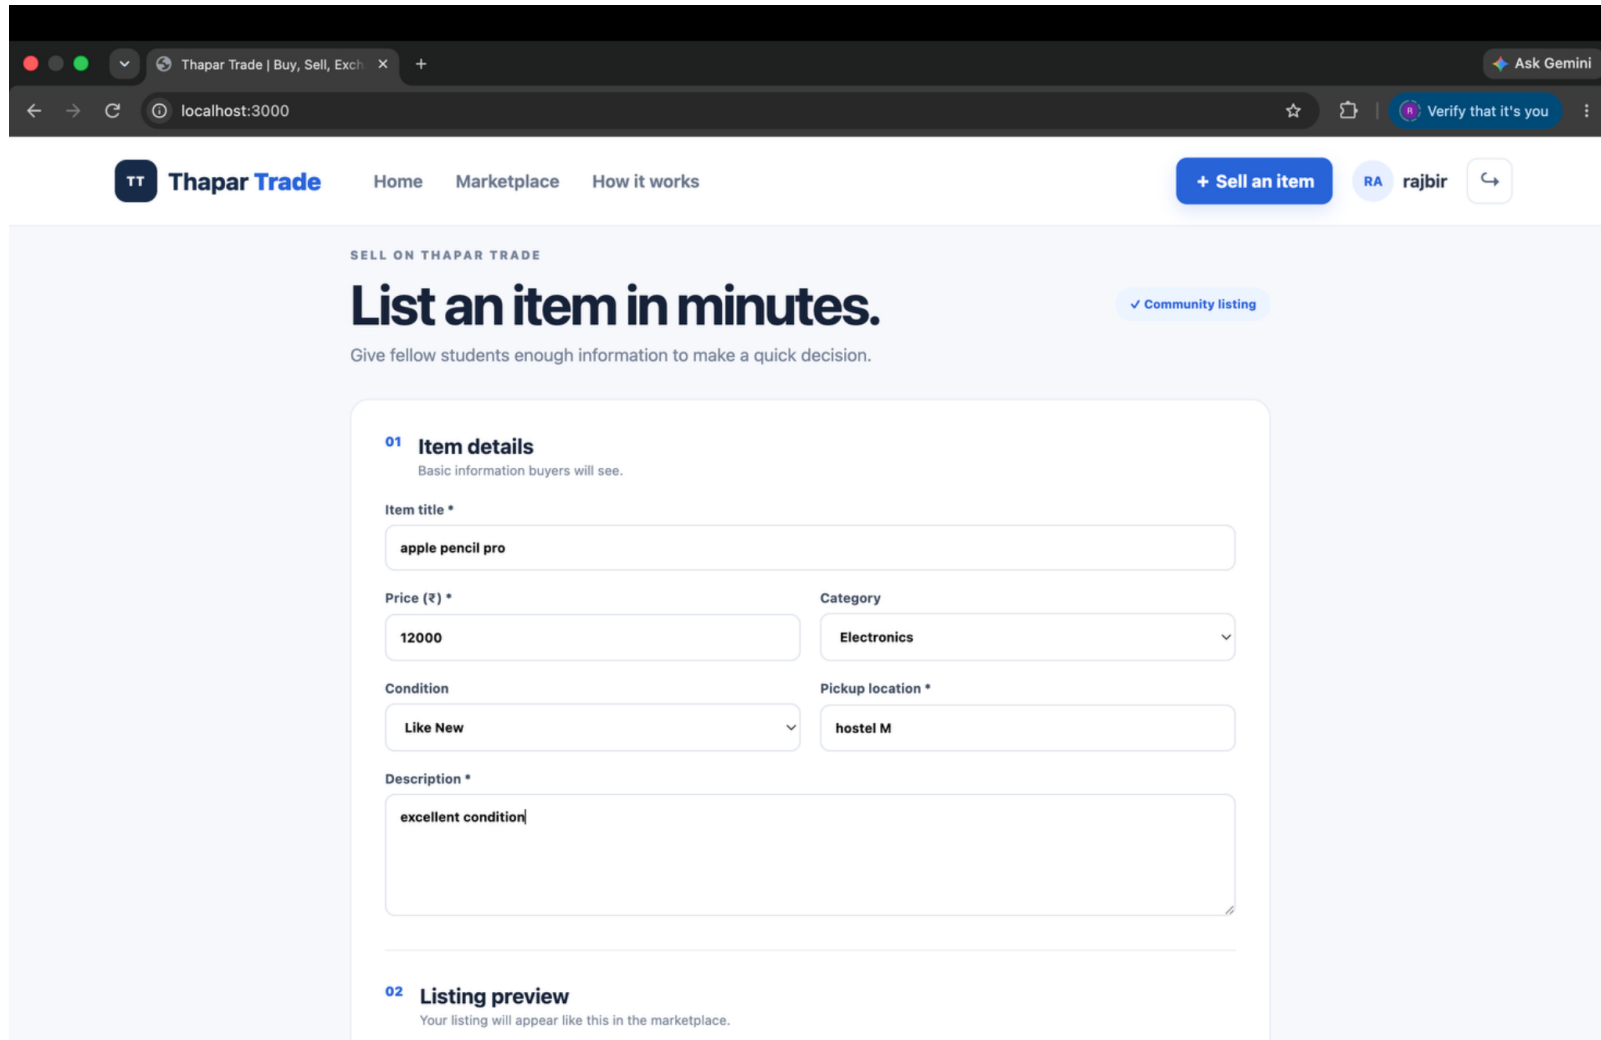

Search & Filter Listings

Search and category filtering for quickly finding relevant listings.

Create a Listing

Listing form for adding an item with price, category, condition, location and description.

The screenshot shows a web browser window with the address bar displaying 'localhost:3000'. The page title is 'Thapar Trade | Buy, Sell, Exchange'. The browser's address bar also shows 'localhost:3000'. The page features a navigation bar with the 'Thapar Trade' logo, links for 'Home', 'Marketplace', and 'How it works', and a '+ Sell an item' button. A user profile for 'rajbir' is visible. The main content area is titled 'SELL ON THAPAR TRADE' and 'List an item in minutes.' with a subtext 'Give fellow students enough information to make a quick decision.' and a 'Community listing' badge. The form is divided into two sections: '01 Item details' and '02 Listing preview'. The 'Item details' section includes fields for 'Item title *' (filled with 'apple pencil pro'), 'Price (₹) *' (filled with '12000'), 'Category' (dropdown menu showing 'Electronics'), 'Condition' (dropdown menu showing 'Like New'), 'Pickup location *' (filled with 'hostel M'), and 'Description *' (filled with 'excellent condition'). The 'Listing preview' section shows a preview of the listing as it will appear in the marketplace.
